SALONS

The CAPE has three incredible salons and a spacious ballroom that can accommodate your dream wedding. The CAPE's stunning 19th Century Victorian architecture takes you back to a more elegant era. The Gatsbyesque chic of The CAPE will make you feel as if you are on set of a big-budget Hollywood movie.

The Janis Joplin Salon

The Janis Joplin Salon has been restored to its original 19th Century beauty with the addition of a baby grand piano and Hector Guimard chandelier. The Joplin Salon hosts incredible natural acoustics, connection to the veranda and a stunning view of The Wilde Garden. The Joplin Suite can hold ceremonies, receptions, even rehearsal dinners.

With capacity of up to 40 seated, or 60 standing, The Janis Joplin Salon is your ideal choice for a beautiful mansion wedding.

The Robbie Burns Salon

The Robbie Burns Salon is an incredibly unique space. The salon had experienced a fire in recent years and had to have the drywall removed. Once taken off we found four stunning* walls of original 1855 Canadian masonry. It stands as a true testament to Canadian fortitude and ingenuity. The Burns Salon now hosts lavish weddings and parties.

The Burns Salon has capacity for 30 seated or 45 standing. Perfect for a cocktail party, bachelorette party, rehearsal dinner, and so much more, The Burns Salon has endless potential with its one-of-a-kind style.
